## Foundation Assembly

Refer to the template for fabric order and placement. For a foundation piecing tutorial visit [staceynstitches.wordpress.com](http://staceynstitches.wordpress.com) and click on the Foundation Piecing Tutorial

1. Make 20 copies each of the Woven Star A and B foundation pieces. Cut from the paper, leaving 1/8" of paper around the seam allowance of the printed pieces.
2. Using (20) Fabric A HSTs, (20) Fabric B rectangles, (20) Fabric C rectangles, and (20) Fabric F rectangles, piece the Woven Star A foundations, using a preferred method of foundation piecing and paying careful attention to the fabric order on the foundations.
3. Using (20) Fabric B rectangles, (20) Fabric D rectangles, and (20) Fabric E rectangles, piece the Woven Star B foundations, using a preferred method of foundation piecing and paying careful attention to the fabric order on the foundations.
4. Press the finished Woven Star A and B foundation pieces well, trim the extra paper and fabric from around the pieces, and then remove the papers from each foundation.

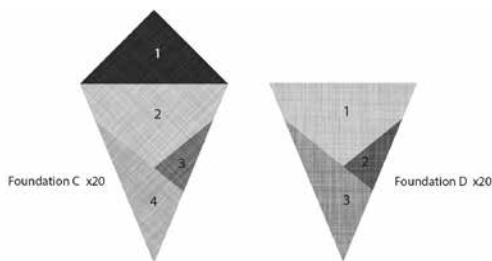

5. Make 16 copies each of the Woven Star C and D foundation pieces. Cut from the paper, leaving 1/8" of paper around the seam allowance of the printed pieces.

6. Using (16) Fabric A HSTs, (16) Fabric B rectangles, (16) Fabric G rectangles, and (16) Fabric J rectangles, piece the Woven Star C foundations, using a preferred method of foundation piecing and paying careful attention to the fabric order on the foundations.

7. Using (16) Fabric B rectangles, (16) Fabric H rectangles, and (16) Fabric I rectangles, piece the Woven Star D foundations, using a preferred method of foundation piecing and paying careful attention to the fabric order on the foundations.

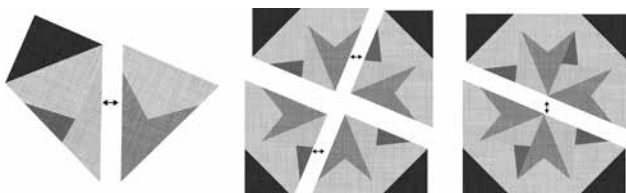

8. Press the finished Woven Star C and D foundation pieces well, trim the extra paper and fabric from around the pieces, and then remove the papers from each foundation.

## Star Assembly

9. Sew the Woven Star A and B pieces together into pairs, matching seams and points carefully. Press towards the B pieces. Sew the pairs together into halves, and then the halves into Stars, to make five Woven Star Blocks. Flatten the seam allowances in the center of the star so that it lays flat.

10. Sew the Woven Star C and D pieces together into pairs, matching seams and points carefully. Press towards the C pieces. Sew the pairs together into halves, and then the halves into Stars, to make four Reverse Woven Star Blocks. Flatten the seam allowances in the center of the star so that it lays flat.

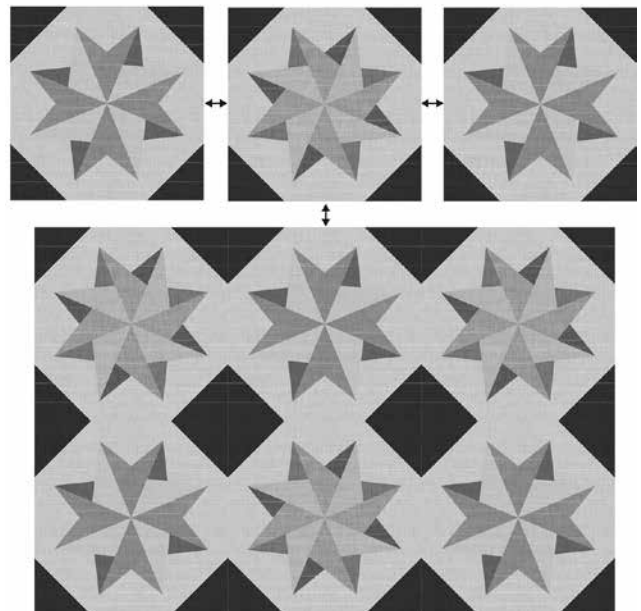

## Quilt Assembly

11. Sew the Woven Star and Reverse Woven stars together into three rows of three, referring to the layout diagram for star placement and matching seams carefully. Press the seams open.

12. Sew the rows together into the finished quilt top, matching seams carefully. Press the seams open again.

13. Layer the quilt top with batting and backing; baste. Quilt as desired. Using the fabric A 2 1/4"-wide binding strips, sew around the quilt top. Turn the binding to the back and secure in place by hand or machine. Label and enjoy!
